

CABOT

Constable Currier Wedding Unusually Attractive.

The Methodist church of Cabot was the scene of an unusually attractive wedding, when Miss Christeen Currier, daughter of Rev. and Mrs. Fred E. Currier, was married to Palmer Constable of Durham, N. C.

The church was tastefully decorated in green and white. Ferns and potted plants banks the chancel rail and organ loft in profusion.

Miss Grace Morse, organist at the Heding Methodist church of Barre, preceded the ceremony with an enjoyable recital during which Charles Randall of Boston sang with much expression, the songs, "Because" and "For You Alone."

Miss Currier was attended by her maid of honor, Miss Julia May Currier, of Arlington Heights, Mass., and two bridesmaids, Miss Marjorie Wells of Cabot and Miss Amy Bartlett of St. Johnsbury. Mr. Constable's brother, Ernest Constable of Durham, acted as best man and the ushers were Sidney Currier of Cabot and Charles Randall. The guests were seated by two attractively gowned young women, Miss Esther Wells of Wellesley, 1918, and Miss Marion Jamieson of Colebrook, N. H.

The bride, who was dressed in a trained gown of white satin, carried brides' roses and lilies of the valley and wore the groom's gift, a platinum necklace with diamond-set pendant. The maid of honor and bridesmaids' gowns were in the orchid shades and with their shawls of sweet peas and maiden hair ferns, gave a beautiful touch of color against the dark background of foliage at the altar.

The ceremony was performed by the father of the bride and prayer was offered by Rev. J. S. Crossland, pastor of the church. Miss Currier was given away by her brother, George Currier, of the firm of Rogers and Currier.

After the wedding a reception was held at the Currier home and a large number of friends gathered to wish Mr. and Mrs. Constable joy and prosperity in their new life. A wedding supper was served and Mrs. Constable cut the bride's cake and dispensed cleverly hidden tokens of good luck to the gay party of young people present.

Among the guests from away were Mrs. Harriett Livingston of Mars Hill, Me., Morton Jeffords of Greenwood, N. Y., Mrs. Hattie Wilcox of St. Johnsbury, Mr. and Mrs. Bert Currier of Arlington Heights, Mass., and George Currier of Dartmouth college, 1917.

Mr. and Mrs. Constable left immediately for an extended trip through the northern cities, after which they will reside in Durham, N. C., where Mr. Constable is located with the Imperial Tobacco company.

RHEUMATISM

Physician Believes a Genuine Remedy for the Disease Has Been Found

Found

Rheuma, the wonderful rheumatism remedy sold by the Red Cross Pharmacy and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretion into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way.

Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in its composition from the remedies usually prescribed."

Dr. Lyons

This should give any sufferer from rheumatism confidence to try Rheuma.
